Graeme Black

Since Victoria wore this British label on a transatlantic flight, sales have rocketed

Brahma beer

We feel quite feminine sipping on the butterfly and rainbow-patterned bottles. Beer belly? What beer belly?

Beauty @ ASOS

We're excited that we can buy gorgeous Paul & Joe make-up online now instead of schlepping to the store

Playsuits

We went off ours for a while, but now we've seen Selma Blair looking so good, we're definitely revisiting this trend

The Barometer

British weather

We don't usually write about meteorological gripes, but this choppy-changey summer takes the biscuit

Eau de Katona

The latest celebrity fragrance to assault our noses is Kerry's "Outrageous". Does anyone really want to smell like Ms Katona?

Cowell in frocks

Danielle's dress

I saw a photo of Danielle Lloyd on heatworld.com recently, and I hope you can tell me where her white dress is from.

Jo, via e-mail
Danielle is looking a bit of all white in this pretty All Saints dress. It will set you back £90

You like it, we'll find it!

Davina's ring

Please help me find the gorgeous ring Davina wore on *Big Brother* - it was a large diamanté one, and I must have it! **Lisa, Nottingham**
Davina's sparkler costs £39.95. Get one from www.preshus.com

Louise's Fit Flops

Like Louise Redknapp, I'm pregnant, and a friend told me Louise has been pictured wearing flip-flops that help keep her legs toned. Is this true, and where can I get some?

Angela, via e-mail
Your friend is right. Louise has been wearing the cult Fit Flop, which tone legs and cost £36
